He is wearing ornate golden vestments, including a mitre and a chasuble with a large, vertically oriented, fan-like gold embroidery on the front. He holds a silver crozier in his left hand and has his right hand over his heart. In the background, there are red flowers and a flag.

My real program of governance is not to do my own will, not to pursue my own ideas,

but to listen, together with the whole church, to the word and the will of the Lord, to be guided by Him,

so that He Himself will lead the church at this hour of our history.

JUBILEE 2008

The year 2008 becomes a year of great significance in the annals of the Immaculate Conception Parish, Auburn, Indiana as it marks the Golden Jubilee of the Dedication and Blessing of the Parish Church and School on September 21, 1958 by Bishop Leo Pursley, D.D. The occasion provides opportunities galore to sing the praises of God, tunes of thanksgiving and a new song of rededication of ourselves to Jesus and his Church.

First and foremost we praise the Almighty God for the bountiful blessings bestowed on the community so faithfully, not just for the last 50 years, but since the inception of the parish when those 8 families gathered along with Rev. Fr. August Young in the Englebert Ashley home to celebrate the first Eucharist on August 5, 1871. These eight families, guided by the Spirit, stepped out in faith into uncharted territory to give witness to their Catholic Faith by establishing a catholic presence in not so friendly and welcoming times and places, for the Church.

In 1947 because of the steady growth of the Auburn Catholic Community, the second generation of parishioners sold the property on Van Buren bought in 1929 as it was deemed insufficient for the envisioned expansion, and purchased the present spacious site. We gratefully recognize the courageous leadership of these devoted and dedicated women and men for their vision, wisdom and above all their spirit of sacrifice on account of which we have the settlement of the Parish Church, School Building, Rectory and Convent. How blest are we to have some of these great parishioners like Agnes Ball, Mary Stafford, Nancy Fuller, Edward May and Josephine Jensen in our midst. While talking to them, it was evident that these noble parishioners did not hesitate a bit to contribute towards the building fund, as all they wanted was a Church that would meet the spiritual and educational needs of the future Community. It was so interesting and enlightening to speak with some of the members of the Building committee like Ken Junk, Wayne Beuret and Bob Stafford who are still in the Parish with us. Some of them went from house to house for collection of the funds and they were surprised that no resentment was shown by any of the families they approached, except that some wanted to speak to the priest before committing. That generation has made great sacrifices, no doubt. As one of our young parishioners working on the history committee was paging through the parish records, she was astounded to find out what a great sacrifice her parents and the others had made with the meager income they had at the time. It is not the treasure and talents but the selfless sharing of them that make communities or parishes great.

Golden Jubilees sometimes can be eluding or tempting as they can give us a false notion of accomplishments; that all God's work that needed to be done among us is complete. Our Catholic Church always stands in need of reform and renewal to meet the challenges of the ever changing world. We are challenged to strengthen our loyalty and commitment to Jesus, to deepen our call to spiritual life by establishing our personal relationship with Him. We are invited to spare no efforts to make it a living, effective, vibrant and relevant community.

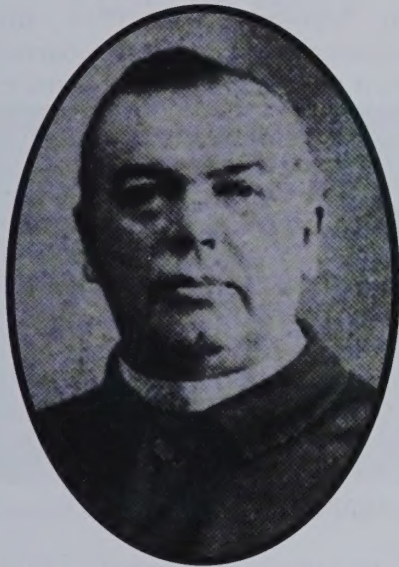

The task ahead, as we celebrate the Golden Jubilee, is to be a world community orientated Church. Within the four walls of our parish, things look so great and we have the right talents and magnificent programs and initiatives. But how much of all these influence the Auburn area in which we live? Do we reach out to the community at large? How are we reaching out and touching the lives of those people around us with the merciful and loving presence of our Lord Jesus? Suppose our ICC parish closed tomorrow. Would it affect or make any difference to the neighborhood in which we live?

To be the Church that Christ wants us to be, efforts are to be made and new ways are to be thought of for bringing people alive in their faith and investing in the faith formation, as well as secular education of our young people, as they will have to compete on an international stage. This requires active participation of every family in the religious and social events and other activities organized in the parish. Above all there will be need of everyone's gifts and talents to be placed at the service of the Church. Since every Parish has a prophetic role to play and as our parish is readying to rededicate itself, we may as well ask ourselves whether we invest in peace, as we invest in armaments and research, or just expect the fruits of peace. You are called to make this world a better place to live.

❧ The Creation of Our Church ❧

The First Eighty-Seven Years

Rev. August Young
1871 - 1874

Father August Young visited Auburn and celebrated Mass in the home of the Engelbert Ashley family, on August 5, 1871. The families of Engelbert Ashley, Jules Beuret, Justin Girardot, Charles Beugnot, Benjamin Goodman, William McIntyre, Jacob Hollinger, Stephen Girardot and Patrick Murphy gathered for the first service. For two years, services were held in the Ashley residence. In the meantime a committee consisting of Engelbert Ashley, Jules Beuret and Justin Girardot purchased lots facing on the corner of Fourth Street and Railroad Street (now Indiana Avenue).

1874 - 1912

On June 1, 1874 the foundation was laid for a small frame structure 30 ft. x 50 ft. Bishop Joseph Dwenger dedicated the church on October 18, 1874. It was erected at a cost of \$3,000 and served as a place of worship until August, 1912. On October 19, a day after the dedication, the parish was free of debt. The priest's residence adjoining the church was purchased on April 15, 1874 at a cost of \$1,900.

By order of the bishop, Father Young changed his place of residence to Garrett in November 1886 but continued to administer the affairs of the parish and to say Mass once a month in the church in Auburn until November 1891.

On August 30, 1881, four and a half acres of ground were purchased for \$543.54 to be used as a cemetery for the parish.

1912 - 1958

In August 1912 excavation for a new church building was started. A concrete foundation was put in and a roomy basement supplied for the whole church. Tiers of cement blocks raised the superstructure of the church about five feet above ground level. The old frame structure was utilized because of its splendid material.

The outside of the frame structure was finished in stucco, believed to be the only church building of its kind in the state. A steeple sixty-five feet high surmounted by a gilded cross of four and a half feet added much to the beauty of the exterior.

The remodeling included a furnace, a basement, new oak pews, a new Packard organ with pipe organ effect, and a beautiful altar. Red velvet carpet covered the sanctuary.

In anticipation of an increase of parishioners and feeling the importance of having the Catholic Church in the center of town, property was purchased on Van Buren Street, between 10th and 11th streets in 1929 for future use. It was purchased with the intention of building a new church and converting an apartment building into a two-classroom school and residence for the teaching sisters. People at the time referred to the apartment building as "the Catholic apartments".

Due to the steady growth of the parish, the property was deemed insufficient and sold in June 1947.

Twelve and one-half acres of ground on East Seventh Street were later purchased from the Madden

estate to serve as a site for the future buildings of the parish.

In 1955 the families in the Immaculate Conception parish numbered 235. Weekly catechism classes were attended by 180 grade school children conducted by Our Lady of Victory Missionary Sisters.

Recognizing the need of new parish facilities, Fr. Matthew J. Lange and councilmen Harry Girardot, J. Wayne Beuret, G. L. Foley, Gerry Souder and Anthony Lemish began to plan a new church and school. Realizing that "Unless the Lord builds, we build in vain," a two weeks Mission was conducted.

On May 6, 1956 an Expansion Fund Campaign was launched to raise funds for the new parish

buildings. Six weeks later the parishioners had pledged \$90,000 to be paid over a period of two years.

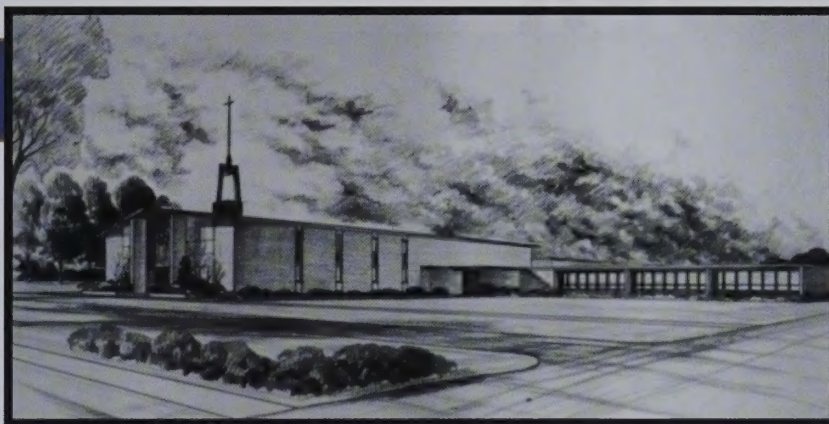

On November 4, 1956 the Franciscan Sisters of the Sacred Heart at Joliet, Illinois promised to staff the new school beginning in September 1958.

Permission was granted by Bishop Leo A. Pursley to proceed with the building program and contracts were awarded. On August 4, 1957 ground was broken for the new building to house the church, school and parish hall, costing approximately \$269,000. The cornerstone was laid on November 4, 1957.

Building Committee members were Robert Cook, George Kelly, Edward Kokenge, Mel Parker, John Rountree and Park Roussey and Councilmen Girardot, Foley, Beuret, Souder and Lemish.

The present Immaculate Conception Church is a beautiful modern brick building that was erected expressly for the worship of God. This certainly was beyond any expectation Rev. August Young could have had on August 5, 1871 when nine families gathered in the Engelbert Ashley home to assist in the first Mass offered in Auburn. The former church on Fourth Street and Indiana Avenue was sold and no longer serves as a place of worship. The building, somewhat changed now, still stands at the corner of 4th and Indiana Avenue.

Ground Breaking Ceremonies (August 4, 1957)

In May 1956, Pastor Matthew J. Lange assembled a group of dedicated councilmen and parish volunteers to address the needs of a growing Immaculate Conception parish in Auburn. Most agreed the parish had outgrown the small stucco church on Fourth Street and there had long been a desire on the part of Catholic parents for a parochial school to educate the more than 180 elementary school children. At the time, the only religious instruction the children received was a weekly hour of released time from the public schools.

There were a myriad of decisions and details to be worked out before the plans and financing were approved by the Bishop and construction commenced. A six-week campaign was successful in

raising the needed funds to receive diocesan approval. Every family in the parish was personally contacted by a fellow parishioner to explain the proposed building program and to solicit pledges to build and furnish the new church and school. Thanks to the generosity of ICC parishioners, the funds raised far exceeded the original goal.

A twelve and-a-half acre parcel of land in the 500 block of East Seventh Street had been purchased from the Madden estate in 1947 with the express purpose of providing for future church expansion. Contracts for the new church were awarded to Humbrecht Associates,

architect and Weigand Construction, general contractor.

Groundbreaking for the new church, school and parish hall was August 4, 1957. A Dedication mass was held Sept. 21, 1958 with the Most Rev. Bishop Leo A. Pursley presiding. Seven other priests were present, including Rt. Rev. Msgr. Thomas L. Durkin who had served the parish from 1935 to 1947.

Both the interior and exterior of the new church were designed in modern contemporary style. This was in stark contrast to the elaborate interior of the Fourth Street church. Seating capacity was 480 on the main floor plus a second-floor choir loft which housed a state-of-the-art pipe organ.

Stations of the Cross Artwork "Photo by Sharon D. Little"

The back Sanctuary wall drew one's eye to the massive terra cotta-colored masonry blocks as a background for the beautiful Botticino and Red Antique marble altar, framed by sidewalls of paneled walnut.

In addition to the life-size statues of the Virgin Mary and Saint Joseph, the Stations of the Cross were also brought from the old church. Father Lange, with the help of parishioners, reframed them and added lights, which brought out their natural beauty. These precious treasures were hand painted on copper, a meticulous, high-quality process, and are still in place today.

The main altar is a combination of classic Italian marbles. Rising high above the altar is a hand-carved wooden corpus attached to a walnut cross, making it the focal point of the main altar.

A walnut canopy is suspended above the altar decorated with a dove, symbol of the Holy Spirit.

Skylights were built into the roof providing natural lighting so that in daytime the sanctuary was adequately lighted without the use of artificial lights.

The tabernacle, made of genuine bronze, was anchored through the marble altar table as a safeguard against theft.

The stately marble communion rail with its burnished bronze gates was later removed in accordance with other liturgy modifications.

It wasn't until June 1961, that the classic stained-glass windows replaced the original clear glass ones. Only the center panel was stained glass with art-colored glass in subtle hues above and below. Particularly on sunny days, these

richly-colored windows cast an air of reverence over the church.

Major changes in church liturgy came about as a result of Pope John XXIII convening the Second Vatican Ecumenical Council in October, 1962. In December, 1965 following Pope John XXIII's unexpected death, Pope Paul VI, his successor, issued the edict that Catholics around the world hailed because of the many laity-friendly revisions to Church law as well as to the liturgy. Among the most dramatic changes Vatican II brought about was turning the altar around so the priest faced the people. This was an effort to draw peoples' attention more intimately into the liturgy. Observing the priest change bread and wine into Christ's Body and Blood brought about a deeper reverence for the Consecration.

Another sweeping change was removal of the communion railing in 1980. With that change, an alternative to receiving the Eucharist on the tongue began and continues today, that of receiving the host in the hand standing at the base of the altar. In the mid-70s, lay parishioners were enlisted to distribute Christ's Body and Blood, increasing lay participation in the Mass.

The identifying outdoor landmark at the entrance of the new church was the beautiful Blessed Virgin mosaic, fabricated in Italy of small pieces of Venetian glass. Panels of Indiana limestone framed the mural. It depicts Mary, the Immaculate Conception, with her

hands extended in welcome to all who enter the church.

In addition to the new church, the dream of a Catholic grade school was also realized. The school opened its doors for the first time on Sept. 2, 1958, offering grades 1 through 4 with enrollment totaling 90 students. The rooms were large, capable of holding up to 50 students. In 1959, Grade 5 was added; in 1960, the addition of Grade 6 brought enrollment to 141 students. By 1962, all eight grades were being taught in five classrooms. However, in 1967 due to space constraints, grades 7 and 8 were dropped. The Franciscan Sisters of the Sacred Heart at Joliet, Illinois staffed the school until shortly before it closed permanently in the early 70s. The prohibitive cost of hiring lay teachers in the absence of the Sisters was the primary cause.

While the Sisters' convent was also completed in 1958, it wasn't until 1962 that a new rectory was added at a cost of \$40,000, completing the building program.

The old church on Indiana Ave. and 4th Street (formerly Railroad Street) which had served Immaculate Conception parishioners for 84 years, was sold at public auction on Sept. 17, 1962. It was renovated and made into apartments.

Building costs for the new church and school totaled approximately \$269,000. In 1987, the debt on the church and school was formally retired while Father Mel Herber served the parish.

For the past 30+ years, Jim Garman, head of Maintenance / Custodian, has ably handled numerous remodeling projects as well as the day-to-day upkeep of the three buildings and grounds. A few of the updates included adding 100 spaces to the parking lot in 1973 and again in

1988 when the main lot was extended; building an addition to the Convent for a garage and storage space in 1974; refinished and restained church pews in 1985; air conditioning of the church and school in 1993; a new church / school roof in the mid 90s; and in 2004, repainting and replacing carpet throughout the church.

Currently, Immaculate Conception Catholic Church has a total of 480 families, with registered members totaling 1,297. By comparison, in 1956 when the drive for a new church was initiated, there were just 235 families. From its humble roots of eight families who gathered in an East Seventh Street residence in 1871, to an active, thriving parish that is privileged to worship in this modern, classic church home, we give thanks and gratitude to those with the foresight and vision to plan and build for the future which for us is the present.

Rev. Matthew J. Lange
 1954 - 1963
 1967 - 1970

In 1956, Fr. Matthew J. Lange spearheaded the campaign to build a new church, school, rectory and convent.

Fr. Lange, with the help of ICC parishioners, made the frames for the Stations of the Cross brought from the Fourth Street Church in 1958. Throughout his priesthood, Fr. Lange's primary form of relaxation was woodworking. He also made all the picture frames for the

pictures of pastors in the St. Michael's Parish Hall, in Waterloo. He hand-crafted and gave away scores of wooden crucifixes made in his workshop. After retirement, he also enjoyed cross-stitching. Among his favorites was a large canvas of St. Francis which still hangs in St. Michael's rectory office.

Fr. Lange was very focused, efficient and organized as

evidenced by the hugely successful fund-raising campaign he conducted in 1956 for a new church and school. The goal for the six-week drive was \$60,000; but when the totals were tallied, they had surpassed their goal by \$30,000.

Stations of the Cross frames were built by Father Lange & parishioners

Only a "take charge" person could successfully promote the dream of a new church and school, conduct the fund-raising campaign, get the necessary financing and work well with all the contractors. Fr. Lange would be described as a dedicated, "take charge" person and the Immaculate Conception parishioners are the beneficiaries of his success.

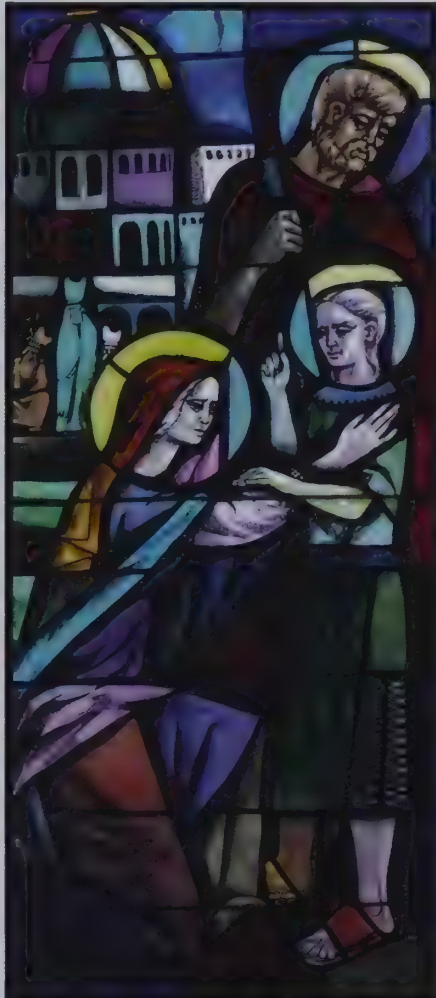

After 61 years of devoted service as a priest, Fr. Lange passed away December 30, 1999, at the age of 87 at his Waterloo home across from St. Michael Church and is buried in St. Michael Cemetery behind the church.

- First Assignment
Assistant Pastor 1937 - 1940
St. Jude's Parish, Fort Wayne, IN

Rev. Aloysius M. Phillips
1963 - 1967

When people think of Fr. Phillips their first thought is of the pastor who died tragically when on a camping vacation in Payson, Arizona. While that is true, there is so much more to know about him. Aloysius M. Phillips was born September 12, 1912 in Michigan City to Henry Phillips and Theresa Pizaiek. There were nine children in the Phillips' family, four boys and five girls. Aloysius studied for the priesthood at St. Meinrad Seminary. His first assignment was as assistant pastor at St. Jude Parish in Fort Wayne.

After serving as chaplain in the U.S. Army during World War II, he continued his diocesan service at parishes in Yoder, in Bluffton and in Waterloo. He was assigned as pastor of Immaculate Conception, Auburn in 1963.

Father Phillips was one of the first pastors to establish a parish lay board system. He was considered a pioneer in turning over a significant number of parish responsibilities to lay chairmen.

He was only fifty-four years old when his body and that of Rev. Ambrose E. Switzer, both of whom had been Army chaplains, were discovered in their camper truck. The camper was mounted on a pickup truck and was heated by a gas butane stove. It was not determined whether the stove was defective or it used up all of the oxygen. Death was probably due to asphyxiation.

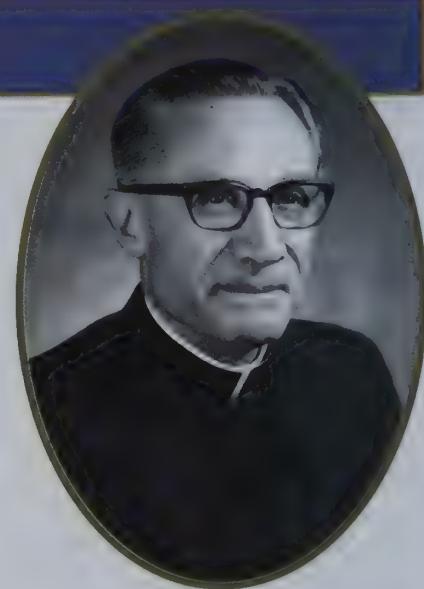

His body laid in state at Immaculate Conception Church from Friday afternoon until the funeral on Saturday, January 1967, after which he was buried in Calvary Cemetery, Michigan City, Indiana.

1970 - 1979

HIGHLIGHTS:

July, 1940 - June, 1956 served as pastor of St. Bernard parish in Wabash, IN during which time a new school and church were constructed.

June, 1956 - July, 1970 served St. Monica's parish in Mishawaka, IN where he made major renovations.

May, 1972 - Msgr. Hoffmann presided over the week-long centennial celebration of Immaculate Conception Church. Bishop Pursley concluded the festivities concelebrating Mass on May 7 assisted by four former priests of ICC in addition to Msgr.

Hoffmann. This was followed by a banquet at DeKalb High School.

June, 1972 - ICC parish school was closed due to Franciscan Sisters terminating their contract with ICC as well as the prohibitive cost of lay teachers.

June 10, 1973 - Msgr. Hoffmann commemorated his 40th anniversary as a priest at a beautiful 5:30 p.m. Mass featuring special organ selections as well as adult and children's choirs. Bishop Leo A. Pursley was principal celebrant along with three diocesan priests. A dinner in Monsignor's honor was held after Mass in the Parish Hall with a capacity crowd attending.

Diocesan offices held: Director of CANA and Pre-Cana marriage conferences from 1952 to 1972. Served as a diocesan consultant to Bishop Pursley for many years. He continued as director of the diocesan

Priest Eucharist League and took on additional responsibilities with this organization after his retirement in 1979.

Monsignor Hoffmann was an articulate, efficient organizer who was an active participant in church and community activities. He was the first local minister to become a member of the Auburn Chamber of Commerce.

He enjoyed traveling and his most memorable trip was his 1971 pilgrimage to the Holy Lands and Rome highlighted by a personal meeting with Pope Paul VI. He moved back to Fort Wayne, living for years at Canterbury Green where he enjoyed another of his passions, golfing. Monsignor Hoffmann passed away at the age of 90 in Fort Wayne.

Father Hank

- Born January 26, 1937
- Ordained 1962 in Fort Wayne, IN
- First Assignment, Mishawaka, IN
St. Bavo's Parish, Assistant Pastor
- Received Masters Degree in Art from Notre Dame

Rev. Henry R. Mascotte
1979 - 1982

A gifted sculptor, Fr. Hank, brought an emphasis on family life, youth ministry and adult bible study groups.

Father "Hank's" interest in the priesthood dates from preschool days when he "said Mass" using hosts cut with a doughnut press. Two priests from his home parish of St. John's Church in Fort Wayne encouraged him to enroll in the seminary at Wawasee. He was ordained in 1962.

His first fifteen years as a priest were spent at St. Augustine's Church in inner city South Bend where he worked with transients and the poor. He preached God's mercy as a prison chaplain in the criminal justice system. The tense issue of integration in South Bend schools taxed his excellent communication skills, but with his usual patience and empathy, he met that challenge. He also taught high school Art there; by his own admission, a labor of love. In 1981, at his 25th anniversary as a priest, he expressed a desire to return to those ministries one day.

Immaculate Conception in Auburn was his first rural assignment.

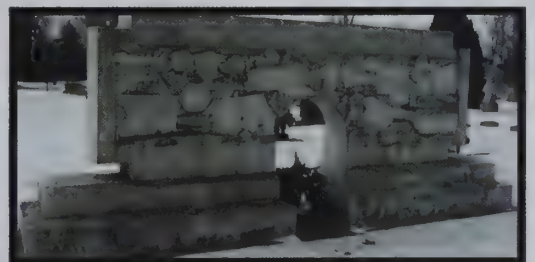

Father was highly organized, progressive, and a "big picture" leader who took a team approach involving more input from the laity than previously. He led the Parish Council in a more pastoral direction, steering them away from their former emphasis on building needs and finances. He emphasized "fostering a deeper sense of community and service to others."

While here, Fr. Hank was a very active member of the Auburn Ministerial Association where pastors of all faiths dialogued together to increase their understanding of each other's faith. He introduced a less structured program for the Jr. and Sr. religious education students. With his ability to draw teens out, let them talk and ask questions, attendance soared. He also established a Divorced Catholic group in the parish, another first.

A gifted sculptor, art had always been important in Fr. Hank's life and he utilized his artistic talents throughout his priesthood. In 1985, a sculpture large enough to be seen from a distance was designed and built by Fr. Hank at ICC's Catholic

Cemetery. Fr. Hank was excited about the way the ICC parishioners pitched in to help.

In an interview showcasing his art studio at St. Jude's in South Bend, Fr. Hank had this to say about his other passion: "Art is a talent I feel the need to use. I may not be praying as I work, but as I respond to this inner gift, I find God present in those experiences. Art is a source of energy that enlivens the rest of my ministry." The ICC parishioners feel fortunate that Fr. Hank left ICC with a lasting reminder of his considerable talents, the Catholic Cemetery sculpture.

- Ordained May 31, 1975 By Bishop Leo Pursley
- Associate Pastor at St. Joseph Parish, Mishawaka
St. John the Baptist, South Bend
- Chaplain St. Joseph High School
South Bend, IN

Rev. Melvin J. Herber
1982 - 1988

The previous pastor quoted in the local newspaper that he was encouraged that his replacement at Auburn was Father Mel Herber. Father Hank called his successor "a delightful, very energetic person". How true it was and very soon the parishioners accepted and were like lambs with God as our shepherd and a new sheep dog, as Father Mel called himself.

Father Mel found a dedicated staff, active Parish Council, many committees to help him in his first pastorate. He welcomed talented speakers to come and increase the faith of his parishioners.

From a "Welcome" booklet that Father Mel gave to new parishioners: "Welcome to Immaculate Conception Parish. We are a large parish geographically stretching 150 square miles. We try very hard to have a "heart" as large as the territory. People make a parish and

as your parish priest, I welcome you. In Him, Father Mel"

The "heart" of the new priest was felt by the people who experienced his warm smile, soft blue eyes, and his humbleness.

At Christmas we welcomed his hand-written greeting for the season and new year. Part of his Christmas letter of 1984 is but an example.

"The days are short; the nights long. Therefore the theme of Advent this year makes sense. Journey to the Light is an Advent theme for all people. The journey, of course, is our life. All of us are a year wiser this Christmas. What has happened this year? For some, a chair has been taken away because of marriage, young adults leaving home or death. Therefore our journey contains laughter, tears, music, love, peace, life.

As we journey to the Light together, are we alone? I think not. Christ walks with us. My life here with you enriches so much my journey. I have experienced with so many of you your hopes and dreams. Sometimes I feel I have helped you. Sometimes I have failed miserably. But I have honestly tried and I care. Thus as believers, we share our life, our faith, our journey. We live with Christ & Christ lives with us. How can we not be filled with His peace?"

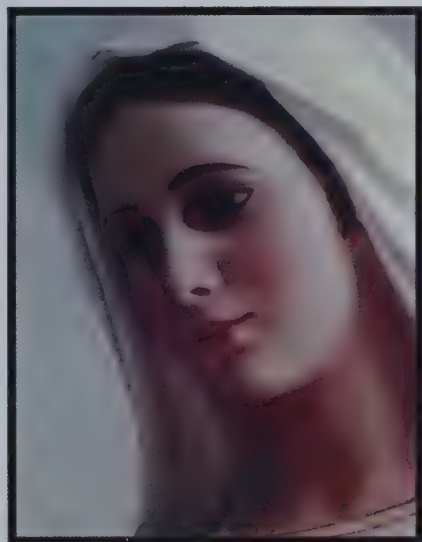

Bishop John D'Arcy assigned Fr. Mel to St. Paul of the Cross Church, Columbia City in the summer of 1988.

*"Christians of Immaculate Conception,
Recognize Your Dignity"*

With these words, Fr. Thomas Lallak ended each of his Sunday homilies. Fr. Tom came to Immaculate Conception, Auburn in August 1988 after having served as pastor at St. Mary of the Assumption, South Bend. Prior to that he had served as assistant pastor at St. Anthony Church and at St. John the Baptist Church in South Bend.

*Our Lady of Grace Statue
In Memory of Father Tom Lallak*

He grew up in Fort Wayne where his parents, Frank and Irene Lallak, had a drug store. As a new priest, his first Mass was celebrated in his home parish in Fort Wayne.

People of DeKalb County soon recognized him out on his daily 20 mile bike rides. An avid tennis player, he volunteered to help with the tennis program at DeKalb High School.

Fr. Tom's heart was also at St. Meinrad Seminary from which he prepared for the priesthood. He encouraged parishioners to take retreats there and accompanied several groups from the parish down to his "Alma Mater".

His mother, Mrs. Irene Lallak, made most of his vestments. At the time, his fellow priests affectionately called him "the best dressed priest" in the diocese because of the beautiful vestments that she had made.

Rev. Thomas Lallak
1988 - 1993

A parish-wide celebration on May 30, 1989 marked the 25th Anniversary of Father Tom's ordination. A memorial card asked all to remember the priest as a person, at the altar, in the confessional and in his daily life.

He reminded Christians of the Body of Christ, explaining that "It is Christ's love for us that makes us a body and gives us the life of the Spirit." That love holds us together and spills over in service within the Body and to those outside.

Father Tom became ill with cancer and yet continued to minister to his parishioners as long as he was able. He and his family were overwhelmed by the love and support shown by this parish. He died June 22, 1993, just five years after he had come to Auburn.

Rev. Raymond J. Balzer
1993 - 1999

The Most Rev. Amelto Giovanni Cicognana, D.D., apostolic delegate to the United State, conferred Holy Orders on the newly ordained priest. At that time Father Ray, as he has always been known, said, *"It's a desire God puts in our hearts."*

Father Ray Balzer Celebrating the 50 Year Jubilee of his Ordination

Father Balzer was assigned to the Fort Wayne diocese prior to its merging with South Bend, to serve under the Most Rev. Bishop John Francis Noll, D.D. While serving forty years in the service of the Lord in the diocese, he received eight different assignments and served under four bishops.

On June 13, 1999 Father Ray celebrated the 50th anniversary of his ordination as a priest here at Immaculate Conception. He displayed his typical humility when he said, *"It's only in the giving of ourselves that we really fulfill ourselves. As Scripture says, there is more joy in giving than receiving."* On this same occasion, Father Ray showed another of his good traits, that of gratitude. *"I can never thank God enough for calling me to be one of His priests. I pray every day to be a little more worthy of such a Grace."*

His crowning achievement here at ICC was renovating a room in the former sisters' convent to serve as our Eucharistic Adoration Chapel.

Completed in December, 1995 and open Monday through Friday from 5:00 a.m. to 9:00 p.m., parishioners from this and surrounding Catholic parishes worship in silence and reverence before the Blessed Sacrament.

Father Ray had a special place in his heart for Catholic cemeteries. He would walk down the rows of graves at the ICC Cemetery and reflect on those who had given so much to their parish. A beautiful white angel statue sits atop a brick post in the newest west wing of our Catholic Cemetery, donated by Father Ray showing his honor and respect for the deceased.

At age 85, Father Ray is happily retired now and summarized his work as a priest as being a *"bridge builder"* between people and God. There is no doubt; he certainly practices what he preaches.

Father Chuck

- Born March 5, 1947 in Gary, IN
- Attended Indiana State University 1965-1969; Earned A.B. degree in German and Instructional Systems Technology. Taught German at Concord High School in Elkhart, IN for 23 years
- Ordained November 29, 1997 in Fort Wayne
- First Assignment - St. John the Baptist in Fort Wayne

Father Charles A. Herman, called Father Chuck, was born on March 5, 1947 in Gary, Indiana.

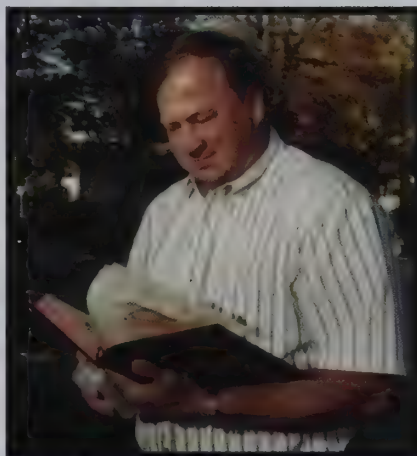

He is the fourth child of the late George and Alvina Herman. He grew up on a dairy farm in St. John, Indiana. He attended St. John the Evangelist Catholic School in St. John for his elementary education. He was a student at Dyer Central High School in Dyer, Indiana, graduating in 1965.

Following graduation from high school, he attended Indiana State University in Terre Haute for four years and earned an A.B. degree in German and Instructional Systems Technology. In the fall of 1969, Father Chuck began a German teaching career at Concord High School in Elkhart, Indiana, which lasted for twenty-three years.

After much prayerful consideration and deliberation, Father applied and was accepted by the Diocese of Fort Wayne-South Bend to study for the priesthood. In the fall of 1992 he traveled to Boston and

began studies and formation for the priesthood at St. John's Seminary. In January 1997, Father Chuck was ordained a transitional deacon for the Diocese of Fort Wayne-South Bend and returned to the seminary for the last semester of studies.

Following completion of his studies, Father Chuck returned to the diocese and was assigned to St. John the Baptist Church in Fort Wayne. He also served as a teacher and chaplain at Bishop Luers High School in Fort Wayne. Father Chuck was ordained a priest of the diocese on

November 29, 1997 and continued at Fort Wayne's St. John the Baptist Church as the associate pastor. He also continued his work at Bishop Luers.

In the summer of 1999, Father Chuck was assigned pastor of Immaculate Conception Church in Auburn. He served there until he was assigned to Holy Family Church in South Bend as the associate pastor. In September 2007, Father was installed by Bishop D'Arcy as pastor of St. John the Baptist Church in South Bend where he continues to serve at this time.

Many ICC parishioners were the benefactors of Father Chuck's masterful skills as a cook, his specialty being German food, of course. Father Chuck was friendly and outgoing and possessed both leadership and delegating skills. He was comfortable around children, teens or adults.

Religious Education

(1995-2008)

In 1995, Fr. Raymond Balzer hired Karen Wrona and Phyllis Gurtner as Co-Directors of Religious Education. During the past 13 years, they have brought many changes to the program. To accommodate Parish families, rather than two sessions on different days, all Religious Education classes for K-8 now meet at the same time on Sunday mornings from 9:15-10:15 a.m. A LifeTeen Youth Program was begun in 2001 for the high school teens. The main focus of LifeTeen is the Eucharistic Celebration of Mass. They now meet twice a month on Sunday evenings for mass and a LifeTeen meeting directed to their needs. It is well attended and flourishing.

✧ Divine Mercy Sunday ✧

In 1931, Jesus appeared to Sister Faustina and asked her to spread His message of Divine Mercy throughout the world, describing the now familiar image that He wished to be painted with the inscription "Jesus, I trust in You." She was to be the Apostle and "Secretary" of His Mercy. Sister Faustina described many revelations, visions, spiritual gifts and intimate conversations with Jesus and His Blessed Mother in her Diary, later translated into many languages. The Divine Mercy Chaplet and Novena are a part of the message of Divine Mercy.

The Feast of Divine Mercy is today's fulfillment of the Old Testament "Day of Atonement," the annual feast in which sins were forgiven. Divine Mercy Sunday is an immovable feast, which always falls on the Sunday after Easter. The Octave of Easter carries on for a full eight days, or an octave of days, all the

way up to and including Divine Mercy Sunday. The Apostle Paul reminds us that "where sin abounds, grace abounds all the more." (Rm. 5:20)

Pope John Paul II recognized the need for everyone not only to understand but also to accept that Divine Mercy Sunday can restore sinful souls to "royal dignity." He indicated that he had fulfilled the will of Christ by instituting the Feast of Divine Mercy.

The prophetic revelations that were given to us through St. Marie Faustina Kowalska, were obediently recorded in her diary, *Divine Mercy in My Soul*.

In 1992, Father Tom Lallak gave permission for two dedicated parishioners with the help of others to plan a Divine Mercy Celebration. Attendance has increased each year as we celebrate the many graces that are available to us through our risen Lord's victory over sin, death and the evil one.

"God is very generous and does not deny His grace to anyone. Indeed He gives more than what we ask of Him. Faithfulness to the inspirations of the Holy Spirit— that is the shortest route."

Knights of Columbus

Knights of Columbus, Council 9186 Auburn, was initiated in late Fall of 1985 by a few men of Immaculate Conception Parish. These men were told that it would be impossible to start a council in Auburn, as it was required, by the Supreme Knights of Columbus headquarters in New Haven, Connecticut that there be at least (30) thirty Men age (18) eighteen or older signed up before the proceeding could begin. By January 2nd of 1986 there were (43) forty-three men signed up and a 1st Degree initiation was held in the Parish Hall, with a 2nd and 3rd Degree following immediately. The Charter was granted in January 1986. (The framed document of the Charter is displayed in the Parish Hall below the picture of Fr. Lawrence Weber, a former Pastor, for whom the Council is named.)

At the time Council 9186 was granted the Charter, there were less than (300) three-hundred K of C members in these four Northeast

Indiana counties. As of January 1, 2008 there are nearly (600) members in six (6) councils. This indicates that the K of C is a fast-growing organization of Catholic men, with the virtues of the order being CHARITY, UNITY, FRATERNITY & PATRIOTISM. The K of C is listed as a Catholic, Family, Fraternal, Service organization.

With CHARITY being the number one virtue of the Order, this council has contributed many thousands of dollars to the community, but especially to our Parish for projects such as the re-roofing project several years ago, along with many other projects at the Parish as needed over the years. Another example of charitable giving is the annual tootsie roll drive, for the mentally challenged, with all proceeds / donations going to the Children's First Center, not to mention the many hours of volunteer time required to successfully complete these projects.

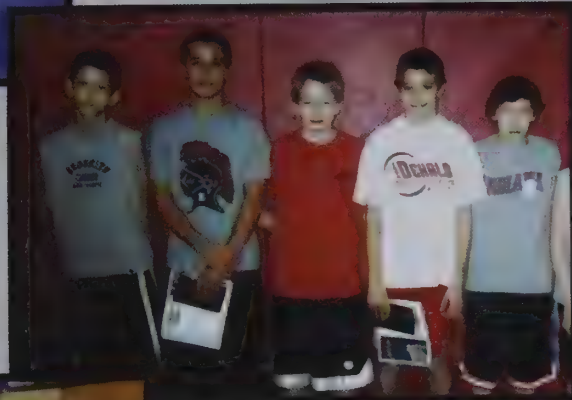

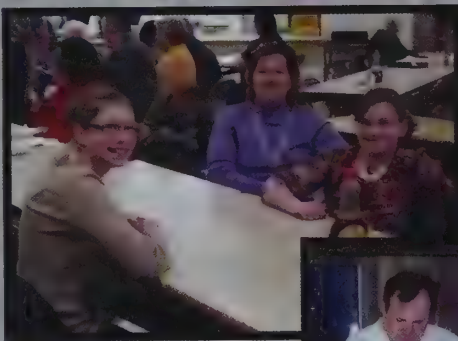

Spiritually, the two main objectives of the Knights of Columbus are, first to be in Solidarity with our Priests and Seminarians, with many donations going especially to our diocesan seminarians. In addition to the donations by individual councils, one dollar from each of the 33,000 State of Indiana members' annual dues is donated to the seminarians from the state. Most Priests are members of the K of C! The second objective is promotion of the Rosary. The Rosary is prayed before many K of C meetings offered for Peace in the world and for members who are sick or in distress. The K of C also supports Right to Life activities.

Fr. Lawrence Weber Council 9186 is just one of over 14,250 councils in our order. This council is proud of all its accomplishments. As of January 1, 2008 there are (145) members in this council. We invite every man who has reached his 18th birthday to join our council. Ask any member for details.

~ Ladies Guild ~

The Ladies Guild is a dedicated group of women of Immaculate Conception. We offer fellowship to members, service to our parish, and help to individual parishioners who have serious needs.

The Guild sponsors the Fall Rummage Sale, the Feather Bingo in November and the Parish Christmas Party in December. We also help our church through a variety of other activities: The Pictorial Directory, Parish Missions, Summer Picnic, meals for seriously ill parishioners as well as Bake Sale Benefits for families who are battling life-threatening diseases.

We welcome new mothers to motherhood with a special prayer book, called "a Mother's Manual", which is presented to them when they baptize their child at our parish.

We support community charities with donations when possible such as the St. Martin's Healthcare Clinic and the DeKalb County Right to Life as well as assist them with their rummage sale held at our church in the Spring.

In addition to the services we provide, we enjoy social activities together (The Guild Christmas Party and our end of year "Dinner Out" in May).

The Ladies Guild is open to all women of the parish age (18) eighteen years or older. We meet the second Wednesday of the month, September through May at 7:00 pm in the parish library. We have about fifty (50) active members and are pleased to welcome new members at any time.

∞ Jubilee Pilgrim Cross ∞

During the summer of 2007, the Diocese of Fort Wayne-South Bend celebrated its 150th year of existence concluded at a diocesan-wide Eucharistic Congress at the University of Notre Dame.

The symbol of this event was a 9'3" wooden cross commissioned at Diocesan World Youth Day at the University of Notre Dame on August 21, 2005. From there the solemn Cross started its pilgrimage through every church in the diocese, staying several days to a week in each parish.

It was Bishop D'Arcy's hope that the Cross would be welcomed as a symbol of the great gift of redemption won by Christ on the

cross as well as a reminder of the great love Jesus has for all of us. This was conveyed by the inscription burned into the 5 foot cross-member of the Cross:

*"His Steadfast Love
Endures Forever"*

The Bishop requested the Cross be driven by van or truck from one parish to the next by teens and young adults since they were instrumental in originating the idea.

The Cross was welcomed at ICC by Father Babasino Fernandes, the Knights of Columbus, parishioners and the press on Friday, June 23, 2006 and remained here until June 30th when it was transported to St.

Michael the Archangel Church in Waterloo.

The Cross ended its pilgrimage at the Sesquicentennial Jubilee Eucharistic Congress at the University of Notre Dame on August 18, 2007. The common denominator all attendees had was the presence of the Pilgrim Cross in their parish over the previous two years which had been a memorable and unifying experience.

*This cross is a reminder
of the great love
Jesus has for all of us...
that he emptied
himself, gave himself
completely so that
we could have life
in abundance.*

❧ Adoration Chapel Adorers ❧

In 1981, Pope John Paul II called on Catholics all over the world to deepen their faith through individual prayer in the presence of the Blessed Sacrament. This was to be achieved by establishing Perpetual Adoration Chapels in parishes worldwide.

Read what Pope John Paul II had to say regarding the power of Perpetual Adoration: *"The best, the surest and the most effective way of establishing everlasting PEACE on the face of the earth is through the great power of Perpetual Adoration of the Blessed Sacrament."*

In the summer of 1995 a Monday evening prayer group brought up the idea for an Adoration Chapel at Immaculate Conception parish. Father Ray Balzer welcomed the idea and under his direction and with the approval of Bishop John M. D'Arcy, prepared a place for the Eucharistic Adoration Chapel in a room of the former sisters' convent.

Immaculate Conception's Adoration Chapel first opened on December 8, 1995 and the faithful presently continue to worship in this blessed

place. All parishioners and those from neighboring parishes are invited to make a quiet, personal holy hour of prayer before the Blessed Sacrament each week at the same time.

Initially the chapel was staffed 24 hours a day, five days a week but due to factors such as the age and health of many parishioners along with job schedule requirements, the hours were reduced to Monday through Friday, 5:00 a.m. - 9:00 p.m. In addition, impromptu visits by ICC parishioners and those in the surrounding areas are also encouraged.

Most parishioners feel the Adoration Chapel is Father Ray's lasting legacy to ICC and all are extremely grateful for his tenacity in overcoming all obstacles in creating our beloved chapel.

Volunteers provided everything for the chapel renovation, providing materials for and assembling the altar and donating altar cloths and a leaded glass window. Other volunteers maintained flower beds around the building and cleaned the chapel weekly. Thanks also goes to the schedulers who had the job of finding

substitutes when the regulars couldn't make it as well as the many others who gave freely of their time and effort in making this gift from the Lord possible.

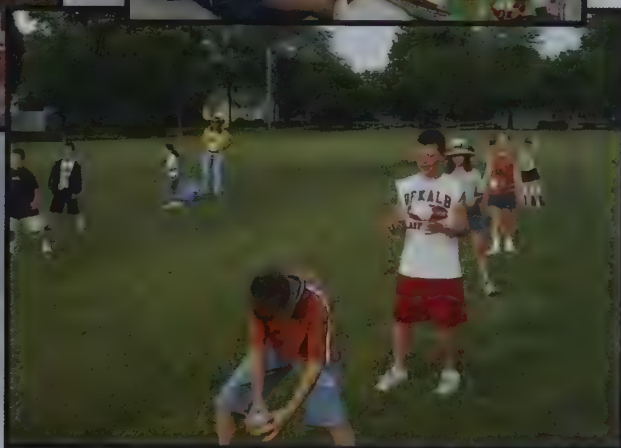

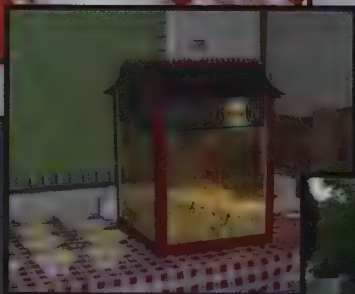

Mother Teresa had the last word on Eucharist Adoration regarding the power of prayer: *"Eucharistic Adoration offers to our people the opportunity to join those in religious life to pray for the salvation of the world, souls everywhere and peace on earth. We cannot underestimate the power of prayer and the difference it will make in our world."*
